General Descriptions

Marketing Brand: Scott®

Product Title: Scott® Essential™ Foam Everyday Use Hand Cleanser 6340

General Description: Elevate your washroom experience with trusted and familiar Scott® Essential™ washroom solutions, designed to help you support hygiene standards in high frequency environments without compromising on quality and value. Scott® Essential™ foam everyday use hand soap is designed for exceptional efficiency and simple maintenance in busy washroom environments. Hypoallergenic tested and enriched with moisturising and hydrating ingredients, this commercial hand wash is kind on employees' hands and suitable for frequent hand washing to help promote hand hygiene in the workplace. These hygienically sealed handwash refills with integrated pump are designed to promote workplace hygiene with a new clean nozzle each time the hand wash refill is changed. Drive cost-effective hand hygiene without compromising on care with Scott® Essential™ hygienic hand wash. The subtly fragranced foam soap lathers to deliver thorough and efficient hand cleansing and rinses quicker than a liquid handwash, saving time and conserving water. The hand soap refills deliver up to twice as many washes per litre as conventional liquid hand soaps, helping you get more for your spend and reducing washroom maintenance time. Each foam soap refill provides 2,500 shots per cartridge. The Kimberly-Clark foam soap refills are designed for quick and easy installation with a simple push and click and the hand soap cassette can be changed in under 6 seconds. When the foam hand wash refill cassette is empty, it can be compressed to conserve space and is fully recyclable once the pump is removed. The hygienic soap refills are compatible with our one wipe clean Aquarius™ commercial hand soap dispensers (product codes 6948 and 7173) and Kimberly-Clark Professional™ commercial hand wash dispenser (product code 8973). 6 x Foam Hand Soap cassettes, pink, 1 Ltr (6 Ltr total)

- Feature:**
1. Each pink foaming hand soap refill contains one litre of everyday hand soap
 2. Foaming hand soap with a clean and fresh scent. Gentle on skin, whilst providing thorough hand cleansing
 3. The lather of this hand foam helps to wash hands thoroughly, but rinses off more quickly than traditional soap resulting in less water usage and time spent per wash
 4. Deliver up to twice as many washes per litre as conventional liquid soaps with this foam hand wash (2,500 shots per 1 litre)
 5. The Scott® Essential™ hand soap refills are compatible with our Aquarius™ hand cleanser dispensers (product codes 6948 and 6955) and Kimberly-Clark Professional™ hand cleanser dispenser (product code 8973)
 6. Promote workplace hygiene with these hygienically sealed handwash refills with integrated pump. A new clean nozzle each time the handwash refill is changed ensures maximum washroom hygiene
