Product Title: Scott® Control™ Centrefeed Toilet Tissue 8591 - 2 Ply Toilet Paper

General Description: Elevate your washroom experience with trusted and familiar Scott® Control™ washroom solutions, designed to support washroom hygiene compliance control in the workplace. For increased hygiene in critical environments from one of the world's most trusted brands, choose Scott® Control™ 2 ply toilet paper. A quality centrefeed toilet tissue for where workplace hygiene and contamination control is a priority. Scott® Control™ centrefeed toilet roll offers dispensing of single toilet paper sheets, meaning you only touch the sheets you use, helping to maximise washroom hygiene whilst controlling usage, reducing waste and cutting unnecessary costs. Our touch free dispensers reduce the risk of cross contamination. Each centrefeed toilet roll has 833 sheets and when loaded into the Scott® Control™ mini twin centrefeed toilet tissue dispenser (product codes 7186 & 7187) offers 79% more metres than other centrefeed toilet tissue systems. Designed to last more than twice as long between refills and serving 254 more people than a typical twin roll mini jumbo toilet tissue system. The commercial toilet paper sheets are 7% bigger than other centrefeed toilet tissue systems and offer excellent paper disintegration for fewer toilet blockages, providing added washroom hygiene. The high capacity centrefeed toilet paper dispensing system means reduced refill events. Compatible with the hygienic, fully enclosed Scott® Control™ mini twin centrefeed toilet paper dispenser (product code 7186-white, 7187-black) which protects the roll, meaning you only touch the toilet tissues you use and provides exceptional cost in use. For environmental assurance, Scott® Control™ centrefeed toilet paper is made from 100% recycled fibres, is FSC certified, carries the European Ecolabel and has reliable flushability.
